

## Volunteer Trustees – Lullaby Africa

Lullaby Africa is a Christian charity which exists to help raise a generation of emotionally healthy children throughout Africa.

To achieve this, we deliver baby bonding programmes and facilitate locally-led support groups to grow attachment between primary carers and their babies. This in turn restores inter-generational bonds in communities traumatised by war, violence and poverty. Our groups enhance community cohesion, empower women, and promote interdependence.

The charity is seeking new volunteer trustees to complement its board. These trustees will support the vision, broaden our skills base and provide strategic oversight to Lullaby Africa's activities.

You will join the board at an exciting time as we seek to develop our long-established work in Kenya and Uganda and respond to invitations to expand into Zimbabwe, Rwanda, Somalia, the Democratic Republic of Congo and throughout sub-Saharan Africa.

We are specifically looking for candidates with skills and experience in the following areas:

- [Financial planning](#)
- [Fundraising and charity partnership development](#)
- [Business / charity growth in Africa](#)
- [Team building and volunteer management](#)

The time commitment will be approximately 4 hours a month, to include six trustees' meetings in Winchester / remote access, event participation and additional support by phone and e-mail regarding specific areas of expertise.

Further information about the charity can be found at [www.lullabyafrica.org](http://www.lullabyafrica.org).

To apply for this challenging and stimulating proposition, please send your C.V. and explain how you can help us to our chair, [Isobel Tutt-Leppard](#). We will contact all applicants and arrange to meet suitable candidates at a mutually convenient time.
